A park scene with a path and trees, where the water and path are rendered as liquid metal. The scene is set during sunset or sunrise, with a warm, golden light illuminating the trees and the liquid metal. The liquid metal flows along the path and reflects the surrounding environment, creating a surreal and artistic effect. The trees are bare, suggesting an autumn or winter setting. The overall atmosphere is serene and contemplative.

All images in this collection were made with prompts in Midjourney 5.2 starting with: "style of liquid metal, realistic photograph"
