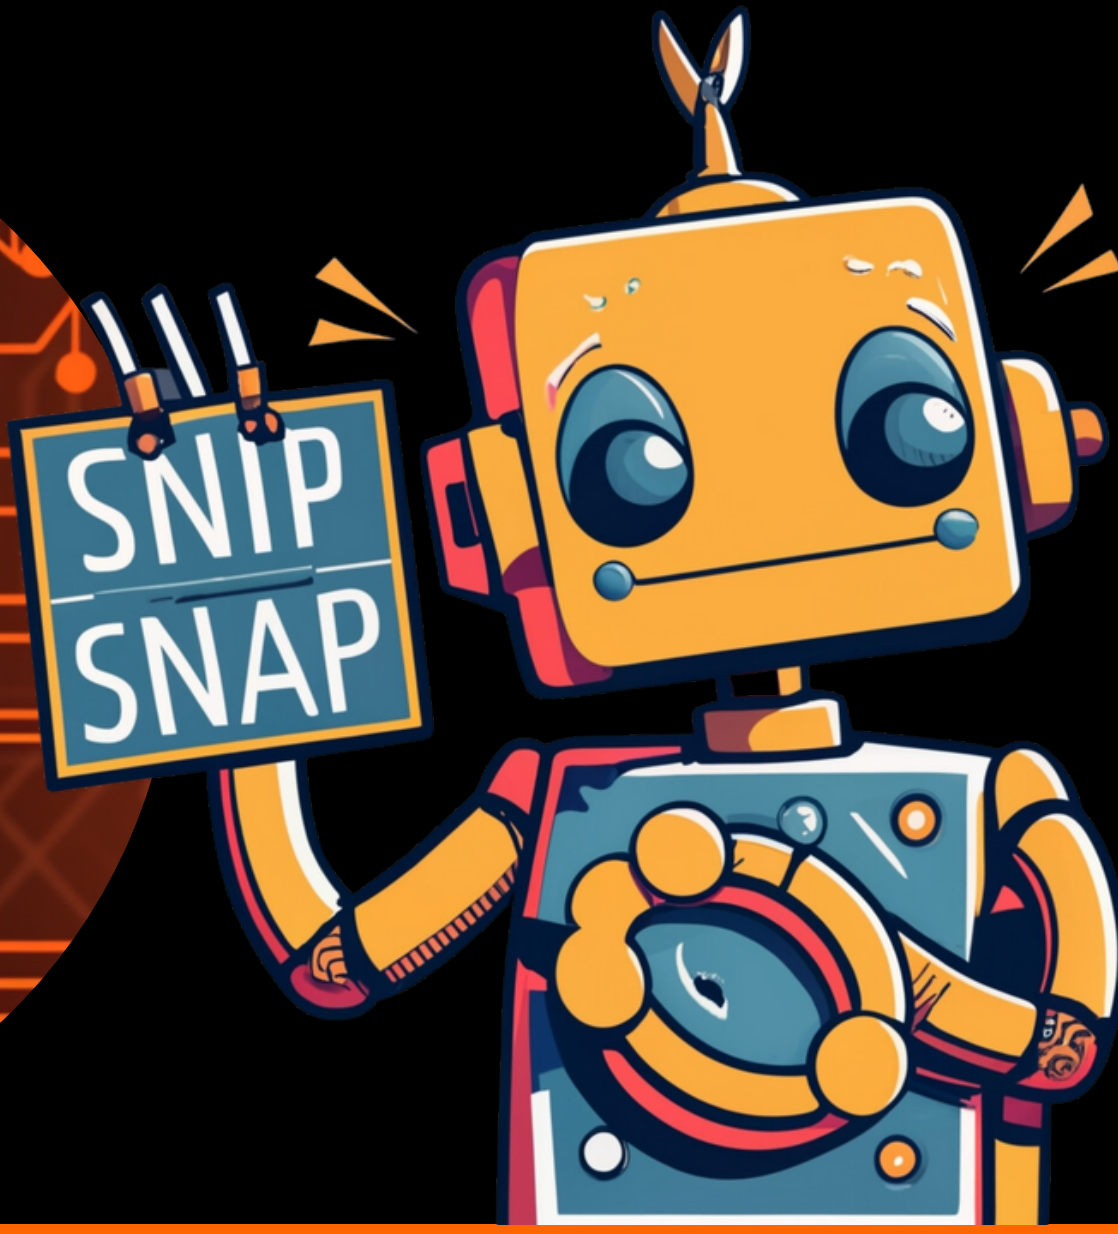
Episode 24

FREE ChatGPT Prompts

Photography Edition



BingChat ~ Claude ~ Bard ~ Perplexity ~ Pi.ai ~ Scite

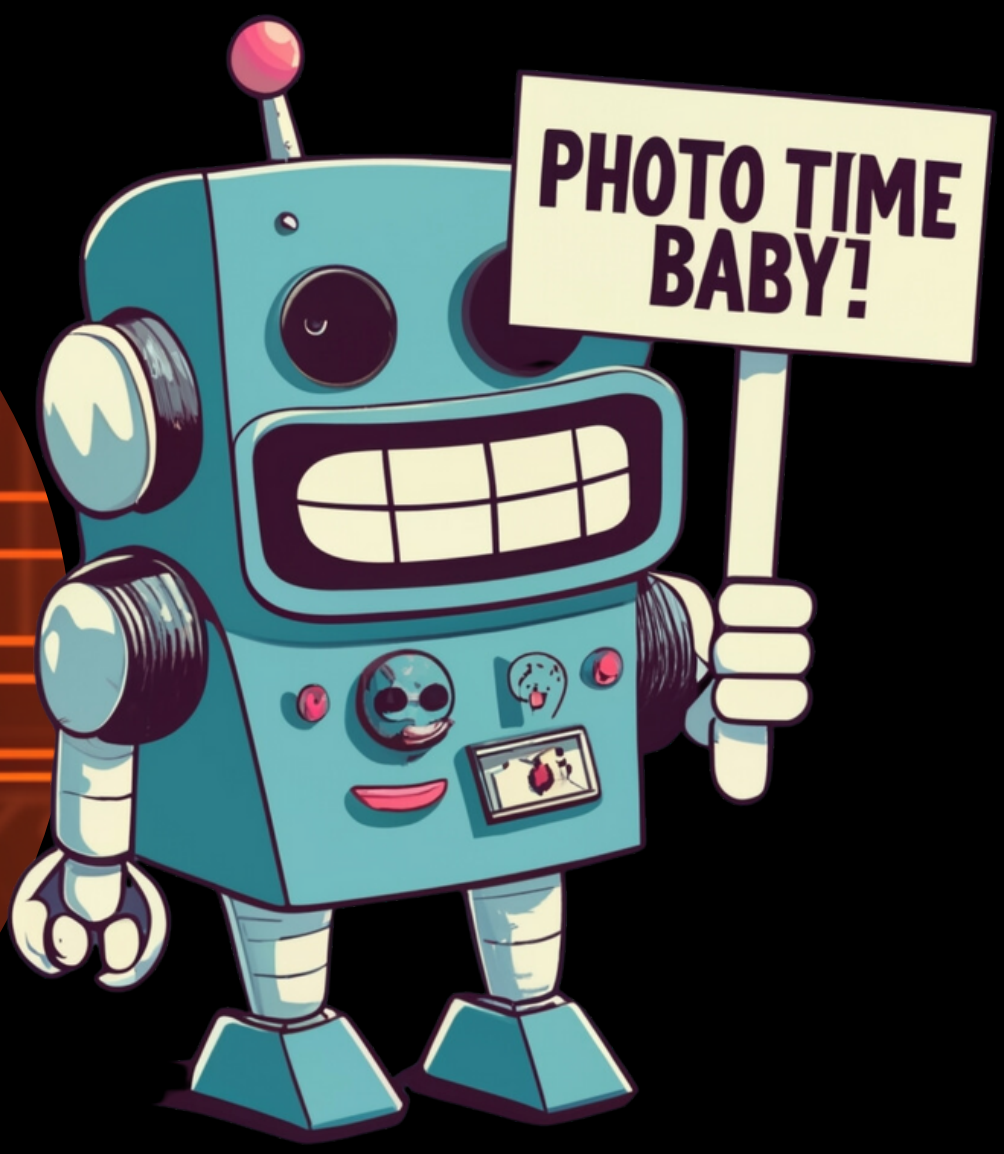
They say ChatGPT and AI can't be used for EVERY task or role.

They're wrong.

REPOSTME

Free Prompts for:

1. Post-processing tips
2. Equipment for shoots
3. Contract drafting
4. Workflow optimization
5. Photo organization/backup



REPOSTME

Remember to Feed your AI

Your AI is hungry. The more data and info you feed it as part of your prompting, the stronger it gets and the more it helps you.

Tell it about your job and project every time you prompt!

REPOSTME

1. Post-processing is a crucial part of photography. This prompt provides comprehensive guidelines tailored to a specific type of photography, helping photographers to enhance their photos without having to compile guidelines from various sources.

REPOSTME

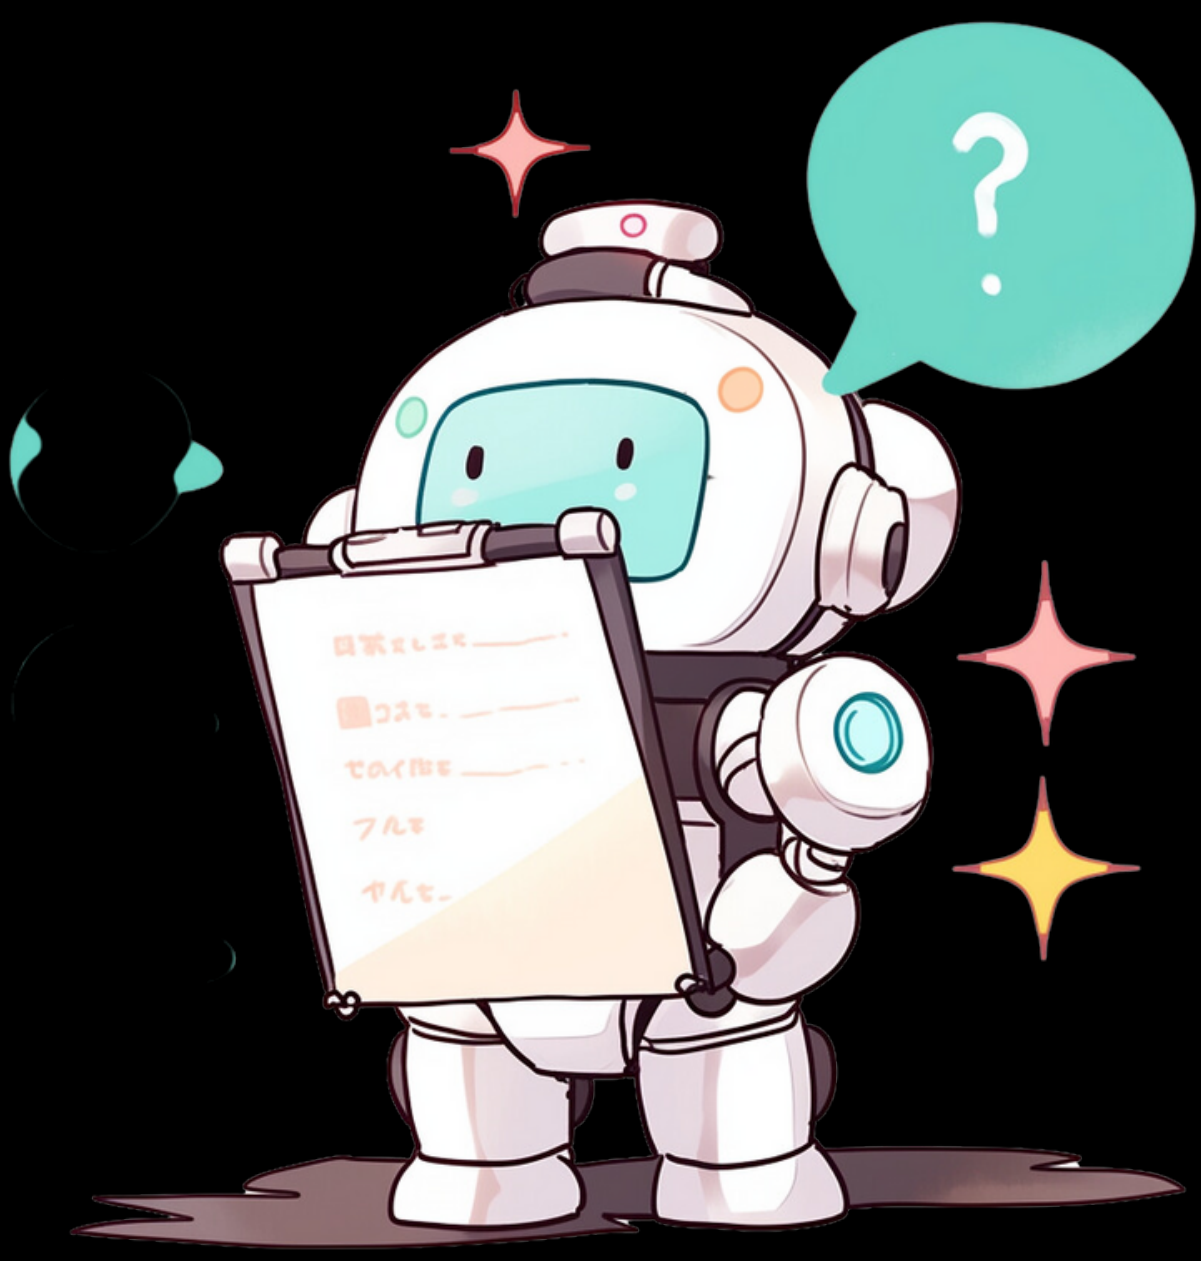
Prompt: "As an expert photographer, provide guidelines for post-processing [type of photography] photos."

REPOSTME

2. Having the right equipment is essential for a successful shoot. This prompt provides recommendations for photography equipment tailored to a specific type of photography, reducing the time spent on researching suitable equipment.

REPOSTME

Prompt: "As an expert photographer, list photography equipment for [type of photography] shoot."

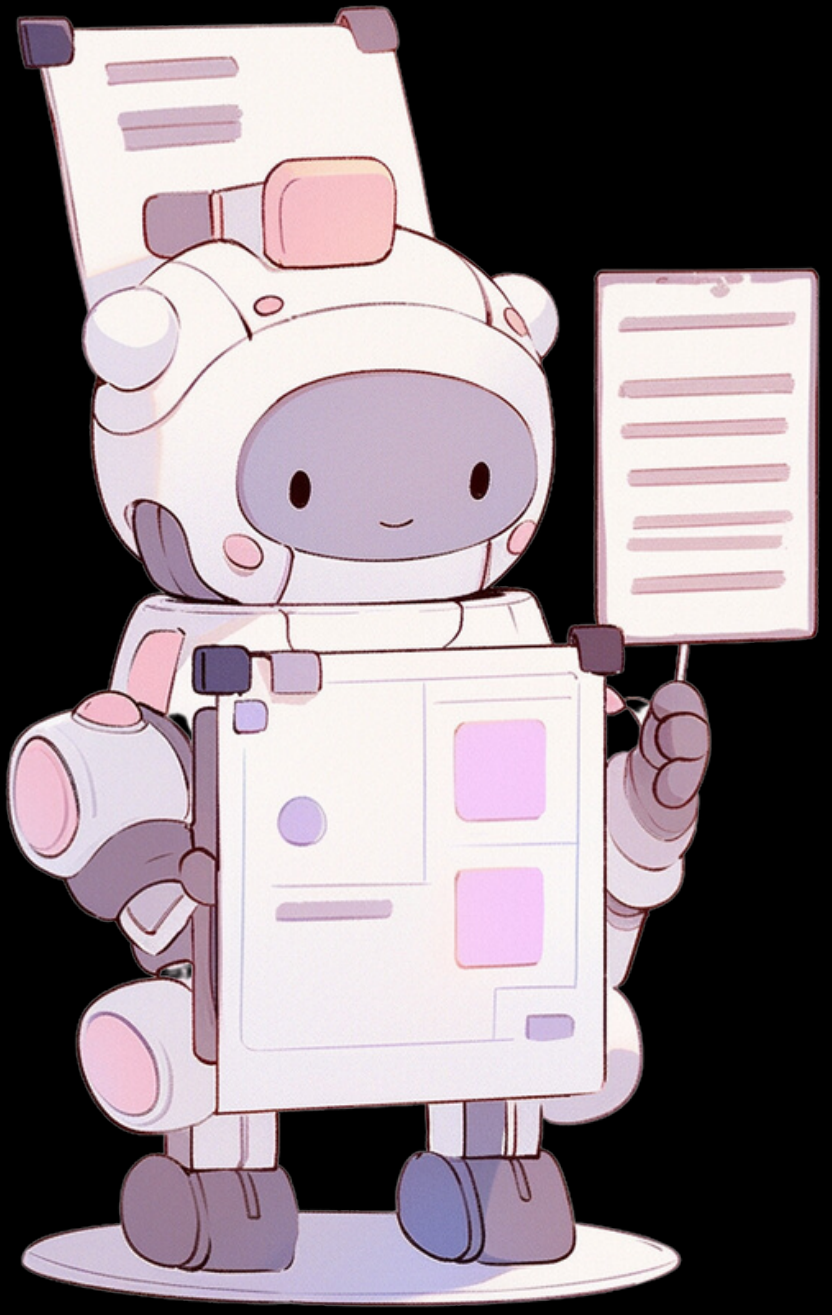


REPOSTME

3. Drafting a contract requires a well-structured format. This prompt provides a template tailored to a specific type of event, helping photographers to organize their contract efficiently without having to structure it from scratch.

REPOSTME

Prompt: "Provide a template for a photography contract for a [type of event] shoot."



REPOSTME

4. Efficient workflow is crucial for a successful shoot. This prompt provides ways to optimize workflow tailored to a specific type of photography, helping photographers to manage their shoot efficiently without extensive planning.

REPOSTME

Prompt: "As an expert photographer, suggest ways to optimize workflow during a [type of photography] shoot."

REPOSTME

5. Organizing and backing up photos is a crucial task for photographers. This prompt provides effective ways tailored to a specific type of event, helping photographers to manage their photos efficiently without spending excessive time on research.

REPOSTME

Prompt: "Suggest effective ways to organize and backup photos after a [type of event] shoot."

REPOSTME

Without your **reposts** and **comments**, I have to use the GIMP for photo editing.
