Remember to Feed your AI

Your AI is hungry. The more data and info you feed it as part of your prompting, the stronger it gets and the more it helps you.

Tell it about your job and project every time you prompt!

1. Cart abandonment is a major issue for many e-commerce businesses. This prompt provides a tailored retargeting strategy, eliminating the need for extensive research and trial-and-error approaches.

Prompt: "Help me design a retargeting strategy for customers who abandoned their carts on [our e-commerce platform]."
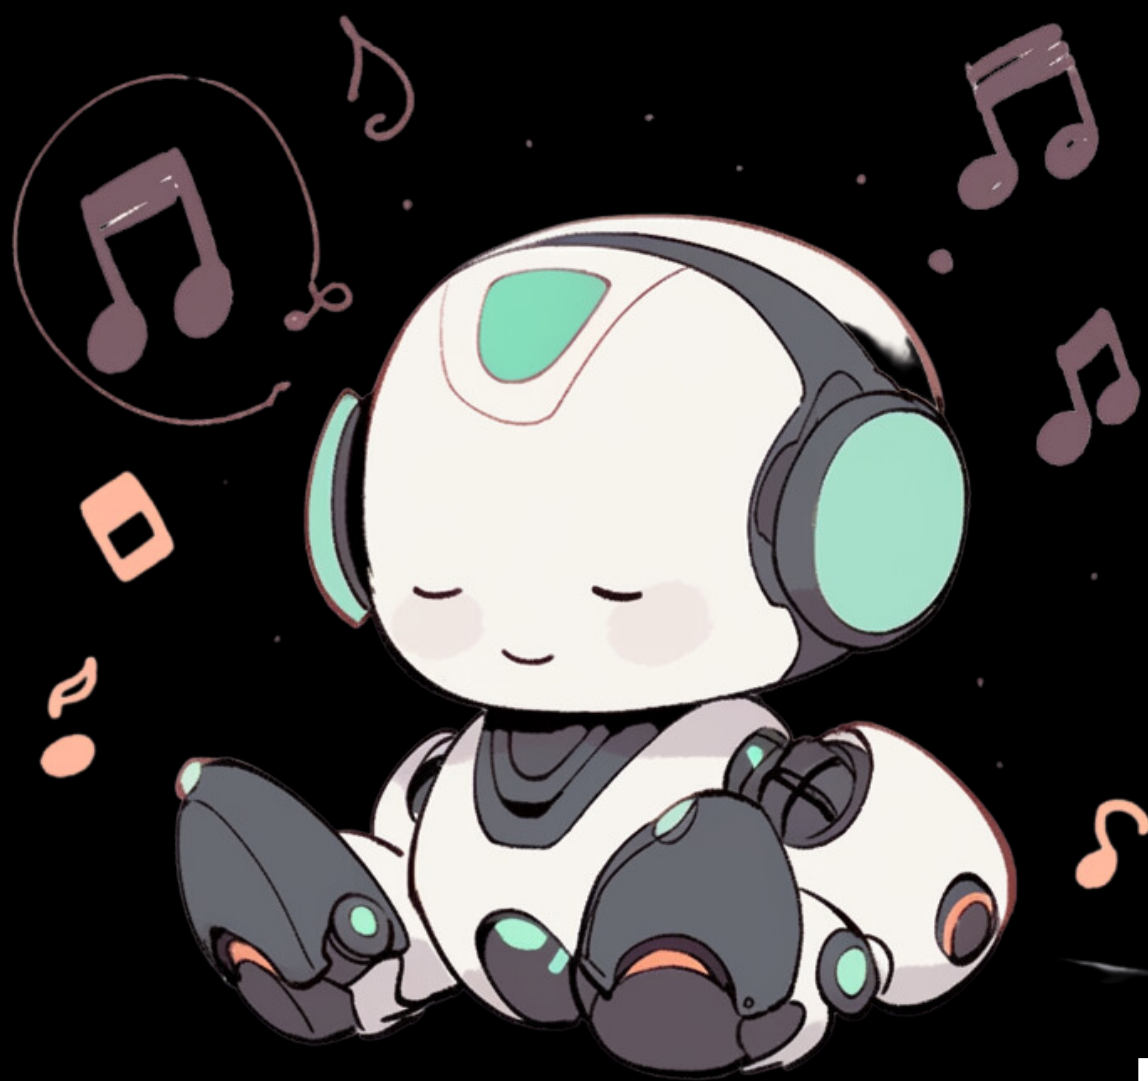

2. A tailored UX can enhance user engagement and conversions. This prompt ensures that the platform resonates with the target demographic, saving time on guesswork.

Prompt: "Provide tips for optimizing the user experience (UX) on our [type of platform, e.g., 'mobile app'] for [specific demographic]"
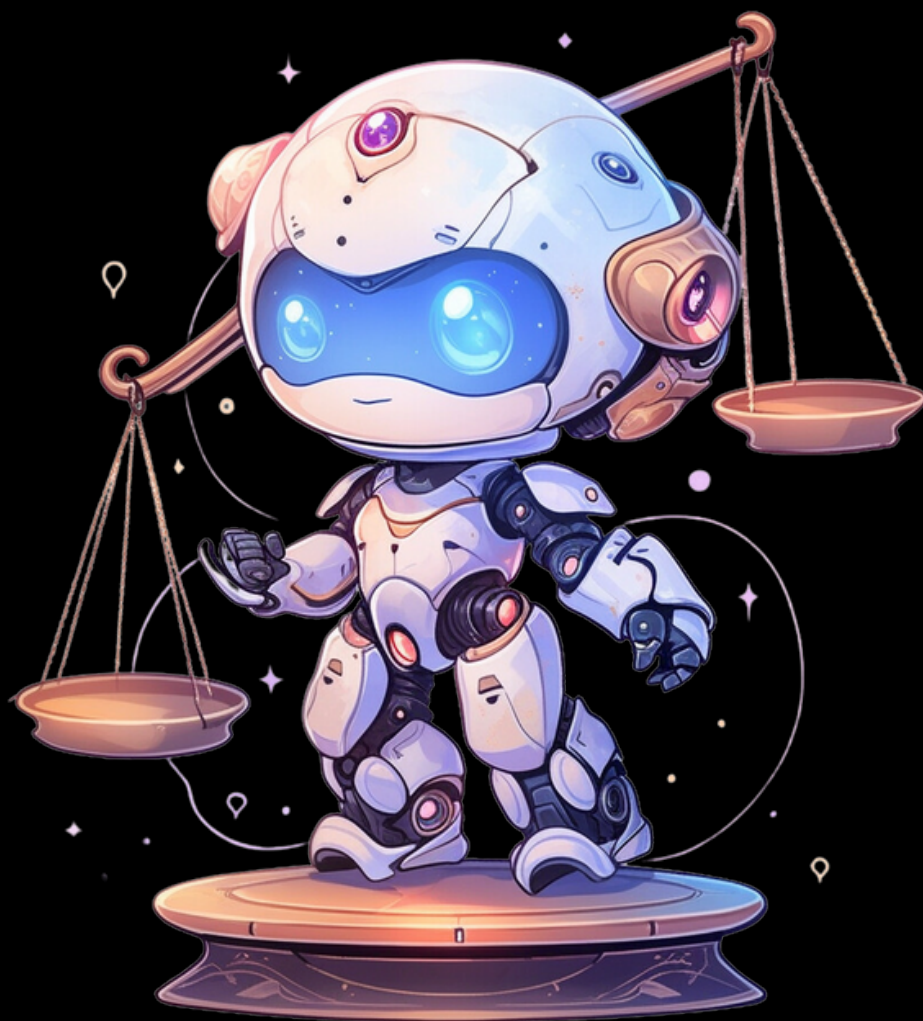

3. Podcasts are becoming a popular medium for marketers. This prompt offers topic suggestions tailored to an audience, bypassing the brainstorming phase.

Prompt: "Generate topic ideas for a podcast series targeting [specific industry professionals]."
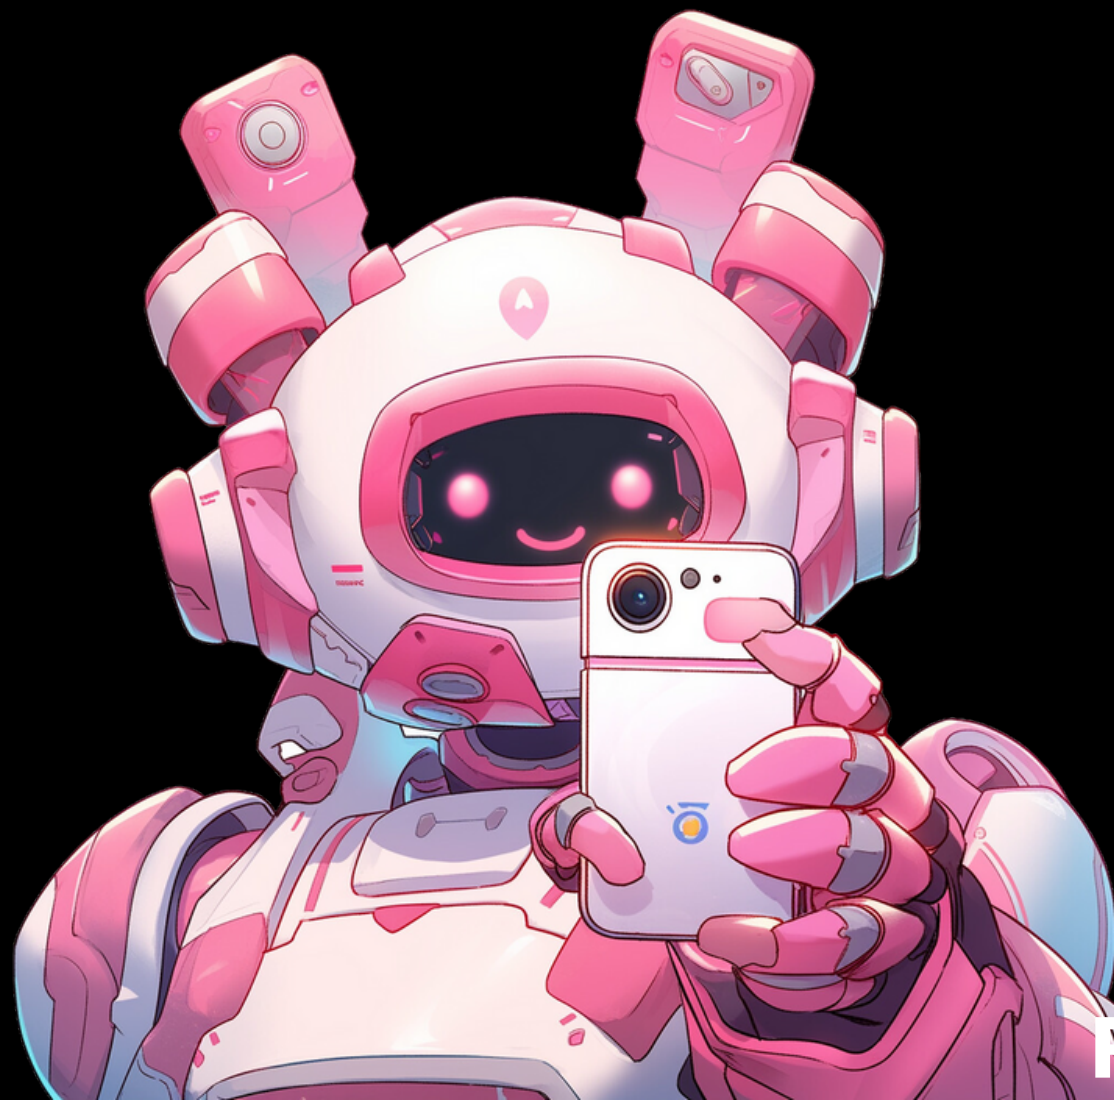

4. A/B testing is vital for optimizing campaigns. This prompt provides a structured plan for testing, ensuring marketers efficiently identify performance boosters.

Prompt: "Draft an A/B testing plan for our [specific campaign or web page] to improve [specific metric, e.g., 'conversion rate']."

5. Influencer marketing can offer high ROI. This prompt offers industry-specific insights and strategies, allowing marketers to effectively collaborate with influencers.

Prompt: "Provide expert insights effectiveness of influencer marketing in [industry] and how to leverage it for our [product]."
