Remember to Feed your AI

Your AI is hungry. The more data and info you feed it as part of your prompting, the stronger it gets and the more it helps you.

Tell it about your job and project every time you prompt!

Crafting a setlist can involve lengthy band discussions. A generated list speeds up the decision-making process, allowing for more rehearsal time.

Prompt: "Generate a setlist for our upcoming gig in [city] that includes our most popular songs as well as new tracks. [insert catalog]"

Mapping out a tour can be tedious. By having a structured framework, the band can allocate more time to preparations and less on planning.

Prompt: "Help me draft a tour itinerary for [season] including possible venues, dates, and cities."

Creating personalized outreach emails from scratch is time-consuming. A ready-to-use template ensures consistency and professionalism.

Prompt: "Write an email template to approach booking agents for potential shows in [area]."

Thinking of new merchandise ideas can take a while. Speedy suggestions can jumpstart the production process for fan merchandise.

Prompt: "Suggest merchandise ideas for the upcoming tour/album. [insert launch details]."

Crafting daily social media updates is crucial but can eat into creative time. Prepared posts streamline marketing efforts.

Prompt: "Create a series of social media posts to announce our new album for the next [number of days]."

Without your **reposts** and **comments**, the band runs out of E strings at that crucial riff
