in Musavir Artistic mode starting  
with: "Style of Mad Magazine,"

REPOSTME

Hi! I'm Leo!

These guides are centered around styles.

In order to keep the style dominant, I use short, simple prompts, with my standard set being:

"a man"

"a woman"

"a dog"

"a cat"

"a cyborg"

"an alien"

"a monster"

"a car"

"a motorcycle"

"a house"

"a landscape"

"an arcology"

**Make sure to “dress” your styles.**

**What? Add descriptors. Examples include:**

**Mood: happy, joyous, sad, frightened, terrified**

**Lighting: dark, intense, varied, chiaroscuro, diffuse**

**Medium: photograph, illustration, anime, painting**

**Camera: Canon EOS Mark5D, iPhone, GoPro, Polaroid**

**Composition: Skewed, centered, off-center**

**Post your own image generations or tips  
below in comments, for fun and exposure!**

**I also take style requests!**
