Remember to Feed your Al

Your Al is hungry. The more data and info you feed it as part of your prompting, the stronger it gets and the more it helps you.

Tell it about your job and project every time you prompt!

Finding the right location and understanding regional trends is pivotal for a fruitful fishing expedition. A quick snapshot can save hours of independent research.

Prompt: "Provide an overview of popular fishing spots in [specific region, e.g., 'Northern California'] for the [season]."

Prompt 2

A fishing trip requires careful preparation. A checklist ensures nothing is forgotten, saving last-minute rushes or purchasing at marked-up prices.

Prompt: "List essential items to pack for a [duration, e.g., 'weeklong'] fishing trip in [specific type of water, e.g., 'freshwater lakes']."

Engaging with fellow enthusiasts enhances the fishing experience and community. Quick post ideas save the time and effort of brainstorming.

Prompt: "Suggest social media post ideas to engage fellow fishing enthusiasts during the [specific season, e.g., 'summer'] season.'

Collaboration can open doors for unique fishing experiences. A ready-to-use email template can streamline the outreach process.

Prompt: "Draft an email template to propose a collaborative fishing trip with [specific group/organization, e.g., 'a local fishing club']."

Staying updated on regulations and best practices ensures a safe and legal fishing experience. Instant insights can save a deep dive into policy documents.

Prompt: "Provide a summary of fishing regulations and best practices for [specific area, e.g., 'Lake Tahoe']."

Without your reposts and comments, nobody wants to buy my fish
