Dear Boss,

I work diligently and believe I deserve a raise. I performed exceptionally well on the last project and am currently excelling in the current project.

Our class went on a fun field trip to the zoo. We rode on a big yellow school bus to get there. It took a long time because the zoo was far away. I sat next to my friend Samantha on the bus. She shared her cookies with me for snack. When we got to the zoo, I saw lots of cool animals like monkeys, lions, tigers, and bears. My favorite animals were the elephants. They were so big and had long trunks. One elephant sprayed us with water from his trunk. It got my shirt and pants all wet but it was funny. After the elephants, we went to see gorillas and zebras. They were really neat but the elephants were still my favorites. The field trip was really awesome and I can't wait to go back again!

Our class went on an enjoyable field trip to the zoo. We traveled on a large yellow school bus to get there. It took a long time because the zoo was far away. I sat next to my friend Samantha on the bus. She shared her cookies with me for a snack. When we arrived at the zoo, I saw many fascinating animals like monkeys, lions, tigers, and bears.
